## Godsend Curriculum

This curriculum is written to extend the ideas of *Godsend* and sharpen the language skills of the reader. *Godsend* is a fun book with deep Spiritual lessons. I hope that taking a closer look will make the book more meaningful to the reader. It should be used as a springboard to many exciting discussions.

This is the teacher's Key Edition. The possible responses to the questions are in red. Although these are acceptable answers, each child should be allowed to respond through their own lens and to explain the story as they understand it.

It is my hope that this curriculum will help make literature learning more fun. Enjoy!

Read Chapter 1

In the beginning of any story characters and settings are introduced.

## Story Questions:

1. Why does the book begin with the verse Ephesians 6:11?  
**Godsend is about fighting for God while wearing the Spiritual armor He provides.**
2. What do we learn about Alex in the first chapter?  
**Alex is a teenager. He's a little unfocused. He has bad dreams about being attacked by demons. He is not too concerned about his hygiene (putting on the dirty shirt). He is comfortable with his mom, but doesn't give her his full attention. Alex is running late. This is probably a common part of his life. He rides a bike, which means he doesn't drive and probably doesn't have a car. When he saves the little girl, we see that Alex has a hero's heart. He is also humble, not making a big deal about it. He is willing to take risks to save others.**
  - a. What is a protagonist?  
**A protagonist is the main character in a story. Alex is the main character in Godsend. This is why he is introduced first.**
3. What do we learn about Alex's mom?  
**His mom wears scrubs. She is a nurse. She is in the kitchen making toast for Alex. She knows him very well. The way she puts the toast in his mouth shows they have a routine that works seamlessly.**
4. What settings are introduced? Describe them.  
**The story starts in a **dream**. The place is a large space with a rock pedestal in the middle. The place is dreary and barren.**  
**Alex's house.** It is a two-story house with **Alex's bedroom** on the top floor. He has a **bathroom** on his floor. His room is pretty messy. Alex leaves through the **kitchen**. We are not told much about it. The **neighborhood** he lives in is a common community neighborhood with curbs and houses with driveways. The **school** is a converted hotel with a large clock tower between the two main wings of the building.
5. Who is the mysterious man in the white suit:  
**Answers will vary.**

### **Going Beyond the Text:**

Alex is in a rut. He mindlessly goes through his morning routine. He gets up and goes to school the same way every day.

What things do you do mindlessly? Try to list six things you do without thinking about them (e.g. eating, getting dressed, etc.). The next time you do these activities, try to do them with your mind engaged. Think about what you are doing. Take your time and enjoy each part of the experience. For instance, when you eat, take time to enjoy the taste of the food. Focus on the textures and flavors.

How did focusing on the actions change the experience for you?

Read Chapter 2

Every story begins with a problem. What is the problem in this story? What is the solution?

## Story Questions:

1. What do we learn about Alex's high school?  
Kingman High was once a fancy hotel which catered to rich celebrities. The rooms have been turned into classrooms and laboratories. It is an old brick building. It has a prominent clock tower in the middle of the main building.
2. What do we learn about Conor?  
He is Alex's closest friend. They are inseparable. He wants to be noticed (he wants to be taller). He pushes Alex to do things he is not comfortable with. Conor's appearance is disheveled.
3. What do we learn about Katie?  
Katie dresses like a model. She is concerned with her looks. She is friends with Alex and Conor. She wants to be popular (her cheerleader dream).
4. What does Conor pinching his finger and thumb together represent?  
Conor does this to tell Alex that time is short to ask Katie to the dance.
5. What are the shadows in the story?  
The shadows are demons. We saw one distracting the truck driver and the one here torturing the teacher, Mr. Addison.
6. Why does DeShawn attack Alex?  
DeShawn attacks Alex because the demon inside of him can tell that Alex sees them. He is a danger to them.
7. What do we learn about the man in the white suit?  
He is an angel. He saves Alex from DeShawn.
8. Why does Alex think he has fallen asleep again in Spanish class?  
The event with DeShawn is beyond his comprehension. He has to make sense of it somehow. It makes sense that the whole thing was a dream.
9. Why did Sariel freeze everyone in the mall?  
Sariel had to talk to Alex and to tell him what God had called him to do.
10. What does Sariel say about telling God what to do? What does that mean to us?  
Sariel says that we do not instruct God, we listen to him. This means that God is our boss. We are His servants. When he says jump, we ask, "How high?"
11. How does Sariel respond when Alex tells him he is too young to do anything for God?  
Sariel points out that David and Timothy were both young when they assumed important roles in God's plans. Youth is no excuse for not performing well for God.
12. What happens to Alex once he goes to talk to Katie? What does this tell you about his Spiritual focus?  
Alex completely puts the Spiritual out of his mind when he talks to Katie. All he cares about in that moment is asking her to the Homecoming Dance. Alex is focused on his life in this world and not his life in Christ.

### Going Beyond the Text:

Sariel tells Alex that his problem is that he thinks everything is about him. He has not realized that the universe, including him, was all created for the pleasure and glory of God.

Why is it that people tend to think that everything is about them? Why is it that we tend to believe that things are only important as they affect our personal lives? What is important to God? What can we do to develop a different, more Godly, understanding of our lives and their purpose?

Read Chapter 3

As the story progresses, we see the problem more clearly.

### Story Questions:

1. We see a new setting—Alex’s church. Explain the description of the church? What does that tell you about it? **The church Alex attends is quite a show. They have put a lot of money into the performance on the stage. This could mean that they are focused on entertaining their people. Alex is impressed with the elaborate show, but is not affected Spiritually.**
2. What do we learn about Alex and the Homecoming Dance? How does he feel about this?

# Godsend by Mike Apodaca and Jeremy Apodaca

Katie has agreed to go to the dance with Alex. He is excited.

3. What do we learn about the world Alex lives in from the radio messages we have heard? How is this like or different from the world you live in? Why is the world like this?

The world Alex lives in is full of crime, drugs, and violence. This is very similar to the world we live in. There is much evil in the world. This is not the world as God originally made it (He made it good). It has been changed by sin, as has mankind. We will not see the world as God designed it until Christ returns.

4. Mr. Addison is in distress. What is the cause of this?

Mr. Addison is possessed by a demon. This is what Alex saw at the school. It is tormenting him and making him think he is losing his mind.

5. What is wrong with Alex's mattress? How would you feel if this happened to you?

A demon dropped into Alex's mattress. He is not sure if it is still there or not. He is confused and frightened.

6. How do you predict Alex will respond to the demons?

Answers will vary.

## Vocabulary: Define the following words

Sanctuary	Pulpit	Pews	projected	Illuminated
Vaporous	Piqued	Volumes	reprobate	solidified
Possessed				

## Going Beyond the Text:

We have seen several demonic encounters in this story (DeShawn, Mr. Addison, and Alex's mattress). Do you think demons really exist? Why do you think this? Try and prove your position with evidence. If you believe that demons really exist, what do you think they doing now? How can you respond to the reality of demons in our world?

Read Chapter 4

Stories are a series of choices. When we watch characters struggle with choices, we struggle with them.

## Story Questions:

1. Why has Alex's mind now turned back to the guy in the white suit?  
Alex is in over his head. He is experiencing demons and has no ability to cope with them. He saw that Sariel could handle them, so he wants his help.
2. Why do you think Mr. Addison acts so differently throughout the day?

## Godsend by Mike Apodaca and Jeremy Apodaca

It is possible that the demons are still with him. At times they are tormenting him, and at other times they are leaving him alone.

3. Why does Alex think he has lost his mind?

Because the things he is experiencing are outside his normal field of experience. He can't make sense of what is going on.

4. Why do you think Alex has such a hard time believing that God has called him to a special task?

Alex doesn't see anything special about himself. He's a poor student with few social skills. He hasn't achieved anything great in his own life.

5. Why would each person see the picture of the armor with their own level of technology?

God wants to be understood. He will present to people in a way that makes sense to them.

6. What two choices does Alex have? What will be the consequences of each of the choices? What would be the consequence if we followed God? What might be the consequence if we didn't?

Alex can become an Athleta Christi, or not. If he does, he might stop Satan's plans in his community. If he does not, Satan will win and many will perish. When we choose to follow God, we thwart Satan's plans. People will be saved from Satan's clutches and will enter the light and become children of God through us. The society will improve when there is revival. People will be more kind and compassionate, and there will be less crime. When we do not respond to the call of God, evil grows and the darkness spreads.

### Going Beyond the Text:

Every day we are given the chance to follow God, to live in His presence and in obedience to Him, or to live for ourselves and to pretend He is not there. In Luke 9:23 Jesus calls us to die daily for Him. What are you choosing right now for your life? How can you live your life more for Christ and less for yourself?

### Story Questions:

1. What do we learn about Alistair Cain in this chapter?

# Godsend by Mike Apodaca and Jeremy Apodaca

Cain is an executive of a large international company. He is efficient and is in control of his people. He only hires the best. He is also a demon who takes on human form. Cain is in command of other demons.

2. Why did Cain kill the demon?  
He didn't like the answer the demon gave him. He felt the demon had failed him by not noticing who the demons were attacking.
3. Why does Alex finally agree to be trained?  
He feels that this is his destiny and he cannot escape from it.
4. Why do you think Sariel takes Alex to the Spiritual training ground?  
Sariel will need some concentrated time to train Alex. This is something he would not get in his world.
5. Why do you think the Spiritual Training Ground has so many animals in it?  
This is like Eden, it is the creation as God intended it to be. It is a place of complete harmony where all parts of nature get along.
6. What is the flesh? Do we have a flesh now?  
The flesh is everything we are outside of Christ. It is our worldly body and earthly mind. It is our identity from this world. It is our earthly world-view. We all have a flesh, that part of us that is not from Christ or part of His kingdom.
7. Why does Addison want to take his own life?  
The demonic attack is more than he can stand. He is so oppressed he wants to end it all.
8. Why would Alex's flesh make it harder for him to learn to be a Warrior for God?  
The flesh gets us focused on earthly things and on our lives. Alex needs to focus on God and on Spiritual things.
9. When is our battle with the flesh over? Why is this?  
We will have to fight the flesh every moment of our lives until the end of our lives when we are freed from it. The things of this world tug on us, they try to capture our hearts. We must discipline ourselves to walk in the Spirit and not in the flesh (See Galatians 5).
10. Why must Alex destroy the flesh? What do you think would happen if he allowed it to live?  
As long as the flesh remains, it remains powerful. It will attack without ceasing. If Alex was to let it live, it would ultimately destroy him.
11. Why do you think Sariel is being so protective with the stone heart?  
Answers will vary.

### **Going Beyond the Text:**

The greatest battle that the Christian has is with his/her own flesh. The flesh will make us feel that we are the center of our lives and that all revolves around us. The flesh will cause us to evaluate everything (including ourselves) according to the standards of this world. The flesh is an insidious enemy, for he is us. How will you overcome your flesh and develop a Christian identity, a Christian world-view, and a Christian life before God? How will you overcome your flesh?

### **Story Questions:**

## Godsend by Mike Apodaca and Jeremy Apodaca

1. What is the best thing a person can experience on earth? What do people substitute for this joy?  
**The best thing a person can experience is the joy of the Lord. People substitute all kinds of things (shopping, gaming, sex, social media, etc.) for it. But these other things never quite satisfy.**
2. How does one experience the joy of the Lord?  
**The joy of the Lord comes from being in fellowship with God and filled with His Holy Spirit.**
3. Why is it that Alex can stay in this Spiritual realm for months and not lose any time in his realm?  
**The Spiritual realm is on its own timescape. The time there is not affected by the time in our realm.**
4. How is Alex to align himself with the universe? How does he do on his first attempt? What does Sariel show him?  
**Worship puts us in line with the universe. It is always praising God. Alex doesn't do very well. He tries to go through the motions of what he knows as worship. Sariel knows worship as experiencing the presence of the living God.**
5. What are demons?  
**Demons are fallen angels. They have the same ability as angels, but they serve Satan rather than God.**
6. What do we learn about Sariel's past in this section?  
**Sariel has been present for many important events in the Bible: things like, the birth of Jesus, the call of Abraham, and the calling out of Lot from Sodom. He was also with Balaam, son of Beor.**
7. How does Sariel complete his assignments?  
**Sariel lives the life of a human. He has lived hundreds of lives in all different countries. He goes wherever he is told to go.**
8. How will Alex be able to break the rules of the Spiritual realm?  
**With focus and practice, Alex will be able to move through physical objects. When he becomes talented at breaking the rules, he will even be able to fly.**
9. How did Alex show that he had become the master of the rules in the Spiritual realm and that this portion of his training was complete?  
**Alex was able to make the pear pass through his hand. This showed that he had developed the focus needed to have power over the things of the Spiritual realm.**

### **Story Questions:**

## Godsend by Mike Apodaca and Jeremy Apodaca

1. What things does Alex do differently, now that he is back from his training?  
He is seeing things differently, noticing their colors and superstructure. He worships in the shower. He walks down the stairs. He treats his mom like a person and shows real concern for her. He apologizes for the way he has acted. He takes out the trash.
2. How does Alex feel in his school? Why is this?  
Alex feels like a stranger in his school, like he doesn't fit in. The bad language and the meanness bother him now. He has changed. He has been in the presence of the holy God and is clean. He feels like being in the school is being in a dirty place.
3. How has Alex changed in his classes?  
He is listening and engaging with his teachers in discussions. Everything is now more interesting to him. He cares about learning.
4. Why can't Sariel just kick the demon out of Mr. Addison?  
Sariel has not been given permission from God to do so. Heaven has a clear authority structure and angels are only allowed to do what God tells them to do.
5. Why do all things happen, according to Sariel?  
All things happen because God wants them to happen. They play a part in His overall plan. Even the bad things are part of God's plan.

### Going Beyond the Text:

The more a Christian grows in Christ, the more he/she worships and prays and experiences the Spiritual realm, the more they bathe their mind in the Word of God, the more they will feel out of place in the world. They are marching to a different drummer. They are out of step. The Bible tells us to be in the world, but not of the world (John 15:19). A Christian is behind enemy lines. How can a Christian keep their faith strong and be true to their God while living in the world?

In Ephesians 6 Paul explains the armor that God has given to us to withstand Satan's attacks. One piece of the armor is the Helmet of Salvation. The helmet protects our head, our mind. Our salvation—the forgiveness of our sins, our righteousness in Christ, and our being put into a new relationship with Him—is a powerful weapon against demons that would have burdened with guilt, living sinful lives, and ignoring God's presence. What does the Helmet of Salvation mean to you? How can it help you stand strong against Satan's forces?

## Story Questions:

1. What does Alex learn about history? What would be different if you studied history in another country?  
Every person presents history in their own way. If we studied history in another country, we would learn about events as they related to that country. We would see them through that country's lens. The only person who gives a completely honest and unbiased view of history is God.
2. What is Mr. Addison's view of history?  
Mr. Addison believes that there are only so many resources and that history is the struggle between those who have the resources and those who do not.
3. What makes Alex leave the classroom?  
Alex sees many shadows (demons) oppressing students in the courtyard outside his classroom.
4. Why couldn't Alex step into the Spiritual realm?  
He was distracted by his feelings for Katie and his recent rejection. This had made it hard to focus on God and to do battle for Him.
5. What do the demons do when Alex enters the Spiritual realm?  
They all turn their attention to him. He is the reason they are there. It is an ambush and they are going to test his abilities.

When writing a story, it is important to bring together all the threads in powerful rising action.

## Story Questions:

1. How does Alex feel when he ends up in the coffee house in his boxers? Why do you think he was transported this way?  
He is uncomfortable and hopes no one comes in and sees him. He was transported this way to make him feel vulnerable and weak.
2. How is this angel different than Sariel?  
This angel is not training Alex for battle. He says this is for barbarians. He tells Alex that those who believe in good and evil are extremists and that the truth is more moderate, somewhere in the middle. This angel says that battling is old fashioned. He tells Alex that the only enemy is ignorance and absolutist thinking.
3. How did Alex see through the fake angel's logic?  
When the demon said that there was nothing absolutely right, Alex realized that there was also nothing absolutely wrong. Killing babies would be okay. This wasn't right. He realized that this could not be an angel of heaven. He was being tricked.
4. Which is the only truth that matters?  
God's truth is the only truth that matters. His perspective is the only true one. All other perspectives are human and limited. We need to try to make our views correspond to God's.
5. What does Alex see in the sky? What does this mean?  
Alex sees many shadows in the sky. They are heading toward his school. This means that demons are going there.
6. Why can't Alex's mom go to Oklahoma where she will be safe?  
She has responsibilities where she is. She has a job and a household to run. She has Alex. She doesn't feel she can just drop everything and leave.
7. How does Cain get his plans to work?  
He controls all of the variables. He makes sure everything is going the way he wants it to go. If there are variables he is not in control of, he eliminates them. Alex is a variable he must deal with if he is going to be successful.
8. Why did the girl glare at Alex when he almost called her Hope?  
The place is crawling with demons. If Alex calls her Hope, her father might find out that something has changed with her. He would probably kill her.
9. Why was Conor attacked?  
We are not told specifically, but the fact that the 911 lines were clogged with reports, we can assume that demons are causing trouble everywhere. Conor is a target because of his relationship with Alex. He may have a demon on him (the headache) and the guy that hit his car probably has a demon on him.
10. Why is Hecate inviting Katie to her house?  
It was the assignment given her by her father, Cain.
11. What could be the purpose of Conor being in a terrible accident?

A good story carefully explains what is really going on and why the characters act like they do

## Story Questions:

1. What feelings is Hecate struggling with while she eats ice cream with Katie?  
Hecate has never had a real friend. She likes Katie and feels comfortable with her. She is enjoying the girl talk. At the same time, she has to do what her father, Cain, says or she will be killed. It is tearing her up inside.
2. What convinces Alex's mom to leave?  
She loses her job and is offered a much better salary in Oklahoma, near her parents. She is also offered a house at a reduced price. The thing that pushes her over the edge, however, is Alex's failing grades and the incident with Brandon.
3. Why did Alex's mom believe his story about fighting with demons?  
Alex's mom believes him because she is a Christian and believes the Bible. The Bible teaches that there are angels and demons around us at all times.
4. How does Alex's mom react when she finds out Alex is protecting her?  
She gets angry. She tells Alex that he must decide to be obedient to his calling from God without putting her into the equation.
5. How could all the bad things that happen in the world be according to God's will?  
God's will is to reveal Himself to mankind. In this universe He can reveal Himself most completely. Because some evil people confess, He can be longsuffering, compassionate, and forgiving. This would not be possible without evil.
6. What was the deal between Satan and God? What arguments did Satan use? Why do you think God went along with this deal?  
The deal was that when someone in the Addison bloodline turned fifty, a portal would be opened for one minute allowing the demons in hell the chance to come back to earth through a portal ten feet in diameter. Satan called God a bully, saying that He had stacked the deck in his favor and that the fight between them wasn't fair. The reason God went along with this is the same reason He does anything—it would bring Him more glory.

He has limited knowledge and limited power and he cannot be in all places at once. The devil only thinks that he is a match for God. We must never think that. What would you do if you were to meet Satan face-to-face?
